RE: Case 2012-00358

Dear Mr. Wuetcher:

Just wanted to thank you for all your informational help concerning the above case involving the merger of Graves and Hickory Water Districts.

My understanding of the process is that you will be taking care of the paperwork to make the date of the merger for the year end which is December 31<sup>st</sup> and also approval for our completion of the paperwork informing the PSC of the merger to extend to 150 days after December 31, 2012.

I have already left a message for Brent Kirtly to help me with the tariff. We also have scheduled a special called meeting of both Boards for January 2, 2013 for the resolution and signing of any necessary paperwork.

Again, THANKS for your help.

Sincerely,

Denise Melvin, Secretary  
Graves County and Hickory Water Districts
